A long, narrow, cream-colored textile, possibly a lace or embroidered fabric, is laid flat on a light-colored surface. The fabric features intricate, repeating patterns of small, dark, circular motifs arranged in vertical columns. The texture appears delicate and slightly wrinkled. The fabric is positioned vertically, with its top edge near the top of the frame and its bottom edge near the bottom. The background is a plain, light-colored surface, possibly a table or floor, with some faint shadows and a small dark object visible in the upper left corner.
